Dear Parent/Carer

We have a rail of pre loved and new uniform all in great condition. As an eco-school, we would prefer to find a new home for them in our school community. We will start putting the rail out in the playground near the playground door from today, however if you would like to have a look before then please call at the school office.

All we are asking is a small donation to school which can be dropped in at the office.

Thank you
