Dear parent/carer

Sent by email

The national wraparound programme has been designed to facilitate additional childcare opportunities for all families. Increased childcare provision means that more parents can return to work and pursue their careers. At Myton Park, we are investigating the potential for opening wraparound care from September 2024 and plan to begin the day with a breakfast club at 7.30am and end it with an after-school session until 6pm.

I would be grateful if you could answer a few questions for us by clicking the attached link. This means that we can gain a clear understanding of the needs of our school community.

Many thanks and have a wonderful half term break. See you on Monday 3rd June!
